

United States Department of State

Washington, D.C. 20520

AUG - 4 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles and defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Israel of defense articles, technical data and assistance necessary to integrate and qualify a self-protection electronic warfare suite for the Israeli Air Force F-16I fighter aircraft fleet for end-use by the Israeli Air Force.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, reading "Paul V. Kelly".

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 062-04

The Honorable
